PRESIDENT: So you want to pass over LB 30?

SENATOR HASEBROOCK: Yes, I would till we get ....

PRESIDENT: Is there any objection to this? Seeing none, it's so ordered. LB 180.

CLERK: (Read title to LB 180.)

PRESIDENT: Senator Burbach.

SENATOR BURBACH: I must confess that I don't quite understand ... don't recall. Must the A bill go first, or the bill go first?

PRESIDENT: It's my recollection, Senator, that A bills followed immediately after the bill, but ....

SENATOR BURBACH: Immediately?

PRESIDENT: Well, they do quite .... As I understand it they have to be read in conjunction, one with another.

SENATOR BURBACH: I make the same request for LB 180 then because 180A is bracketed over on General File at this time.

PRESIDENT: Alright. Is there an objection to Senator Burbach's request? Seeing none, it's so ordered. Please read for the Final Reading LB 239.

CLERK: Mr. President, I move to bracket LB 239 on Final Reading. Signed, Senator Kennedy.

PRESIDENT: Is there an objection? Seeing none, it's so ordered. That takes care of Final Reading. Select File, LB 175.

CLERK: Mr. President, LB 175 was one of those bills that was advanced to General File ... to Select File last May without any consideration of the committee amendments. The committee amendments are yet pending on the bill. They are put on the bill by Senator Hasebroock's Retirement Committee.

PRESIDENT: Do you want to speak to this, Senator Fowler, or should I recognize Senator Hasebroock?

SENATOR FOWLER: I have a substitute for the committee amendment. I've talked with Senator Hasebroock on that.

PRESIDENT: Alright, proceed.

SENATOR FOWLER: LB 175 was a bill introduced for the City of Lincoln. I have a letter from the City of Lincoln, indicating their support for the bill, which I'd like to have some Pages pass out.
